I've been beating the other guys for years, is it any wonder Google finally got wise???

Don't take my word for it, though... here is what local music store owners, industry professionals, and others have to say about my lesson program:

"During his over 7 years as head guitar instructor at Airport Music, Ben continually impressed us with his professionalism, friendliness, and success with his students. Regardless of age or ability level, Ben has a unique ability to cater his lessons to each and every student, ensuring their progression on guitar, while also making each lesson fun, relaxed, and enjoyable. I HIGHLY recommend him to anyone looking to begin guitar or advance their current abilities." - Bryon Federick - Manager, Airport Music

"Ben Pawlak is the definition of the quintessential professional musician. Ben's passion and drive never fails to deliver the catalyst of stimulation to the senses through his musicianship and music. As a teacher, he has a distinct style that is both engaging and informative to any student. Creative and driven describes one of Buffalo's best musicians. Not only is Ben a musician, but also held in high esteem by all that know him as a wonderful, caring, and
